CALL FOR DONATIONS: Families affected by #RollyPH & #UlyssesPH need our help!

Typhoon Ulysses (Vamco) is now over the West Philippine Sea, leaving a massive trail of destruction across many areas in Luzon including Metro Manila. Typhoon Ulysses also hit Bicol, a region still reeling from Super Typhoon Rolly (Goni), which ravaged Albay and Catanduanes just last week.

As we anticipate the damage and needs report from the ground, the Philippine Disaster Resilience Foundation (PDRF) calls for cash and in-kind donations for families affected and displaced by these tropical cyclones.

Needs of Affected Communities:

- Food packs
- Drinking water
- Hygiene kits
- Face masks
- Shelter repair kits
- Fishing boats (for coastal communities)

Cagayan Valley’s municipalities sank underwater following the opening of Magat Dam, which had to release excess water due to the heavy rains brought by Typhoon Ulysses. Thousands are now stranded on the roofs of their houses and are in need of urgent assistance. PDRF, together with its private sector partners, are calling for cash and In-kind donations in order to bring aid to affected communities.
